No problem, 11am works too. I'll send an updated invitation.

Oh, I'm sorry. I misread that.

Actually, if you can do it any time that day except 2:30-3pm, then can we do it sometime in the morning? Like ... how does 11am ET sound to you?

Sincerely,
David Stebbins

Mr. Stebbins, as I mentioned in my two prior emails, 2:30-3pm ET is the one time slot on Thursday that I am **not** available. I will send a calendar invitation for 4pm ET on Thursday.

Best,

Jeremy
